

AIA Chattanooga

We welcome you in becoming a Corporate Sponsor or an Affiliate Member of AIA Chattanooga

Since 1953, AIA Chattanooga has depended upon sponsorship support. This assistance remains essential to the successful accomplishment of the chapter's mission of serving its members through quality professional development programs and to continue its community outreach efforts.

An investment in the Corporate Partners Program will allow your business to connect with the core of the local design and construction industry. Your Corporate Membership will give you, through AIA Chattanooga publications and its local membership, exposure and recognition in the design and construction industry. Your participation allows you to make an advertising investment in promoting your products or services to the local industry professionals and the general public.

Please join us as a Corporate Partner to make a difference in our architectural community.

***AIA Chattanooga serves our members by providing
a collective voice while promoting the profession
of architecture in Chattanooga.***
